In complying with the letter and spirit of applicable laws and pursuing its own goals of diversity, the University of Maine shall not discriminate on the grounds of race, color, religion, sex, sexual orientation, including transgender status or gender expression, national origin, citizenship status, age, disability, or veteran's status in employment, education, and all other areas of the University System. The University provides reasonable accommodations to qualified individuals with disabilities upon request. Questions and complaints about discrimination in any area of the University should be directed to the Director of Equal Opportunity, the University of Maine, 5754 North Stevens Hall, Room 101, Orono, ME 04469-5754, telephone (207) 581-1226, TTY (207) 581-9484. The National Girls Collaborative Project is supported by the National Science Foundation EPSCoR award #EPS-0554545 to the University of Maine. Partially funded by the Human Resource Development, and Research on Gender in Science and Engineering. National partners include AAUW (American Association of University Women), AWE (Assessing Women and Men in Engineering) and EDC (Education Development Center).
